Microsoft [®] PowerPoint [®] presentation of a project overview.	
Include a high level summary of your Learning Team's plan and project deliverables.	
Use the following guidelines when writing an executive summary:	
 Present the major points in the same order they are written in the report. Summarize the results, conclusions, or recommendations made in the report. Write headings, as needed, for clarity, but word headings differently from the headings used in the report. 	
The content is summarized, accurate, and informative.	
The presentation develops a central	
theme or idea, directed toward the	
appropriate audience. The presentation links content to the	
paper and uses the vocabulary of the	
theory correctly.	
Major bulleted points are stated clearly;	
are supported by specific details,	
examples, or analysis; and are	
organized logically.
