

QSO 455 Final Project Milestone One Guidelines and Rubric

Overview: In preparation for your final paper, choose an organization and examine its integrated supply chain practices. Submit a two-page paper identifying the organization you selected and explaining why you chose that organization. Discuss the organization's operational goals and identify the key supply chain performance indicators it uses. You will also be looking into the organization's best practices for integrated supply chain management.

In your paper, be sure to include:

- The **organization you selected**
- The **reason why** you chose that organization
- Identify the organization's **operational goals**
- Identify its key supply chain **performance indicators**
- Identify the organization's **best practices** for integrated supply chain management

Selecting an organization and examining its key elements at this early stage will provide a solid foundation as you move toward your final paper.

Guidelines for Submission: Your paper must be submitted as a two-page Microsoft Word document with double spacing, 12-point Times New Roman font, one-inch margins.
